What is an Apprenticeship?

Apprenticeships are work-based qualifications that last between 6 and 18 months (dependent on industry and level). They are made up of:

Vocational Qualification – the **practical part of your Apprenticeship** which shows that you understand your job and how to do it effectively. This will be an **Award, Certificate or Diploma** depending on the level of your Apprenticeship.

Key Skills – develop your **Maths, English and IT skills** to increase your confidence and ability.

Certificate – builds your knowledge of the **theory behind your job** and gives you the opportunity to develop **technical skills**.
